

Invitation....

to submit manuscripts to BreastGlobal Journal (BGJR)

Dear Professor/Researcher/Doctor,

We, at BreastGlobal are delighted with the launch of 1st issue of the BreastGlobal journal on 4th February 2023 (World Cancer day). The issue can be accessed [here](#). BGJR is published using an open access publication model, meaning that all interested readers are able to freely access the journal online without the need for a subscription, and authors retain the copyright of their work.

BGJR aims to provide a reliable and comprehensive scientific body of work for clinicians, pathologist, surgeons healthcare professional working in the field of Breast Cancer. The journal will provide a place for clinicians to share many aspects of breast cancer management. The main readership for this journal. will constitute of general and breast surgeons, oncoplastic surgeons, medical oncologists, radiation Oncologists, pathologists, radiologists, geneticists, psycho-social experts, relevant industry and affiliated breast centers and societies around the world.

The BGJR editorial team would like to invite you to submit an article for upcoming issues of BreastGlobal Journal (BGJR), which is a peer-reviewed, open access journal that publishes **original research, review articles, short communication, commentary, case reports, featured guest editorial contributions and a “how did I do it” section.** The Journal will be hosted by the internationally well-known publishing company Wolter-Kulwers. BGJR will be available in online format only and will be released quarterly.

The journal has a distinguished Editorial and Advisory Board with extensive academic qualifications, ensuring that the journal maintains high scientific standards and has a broad international coverage. A current list of the journal's editorial board can be found [here](#).

For submission process: Please review the journal's Author Guidelines, which are located [here](#)

Manuscripts can be submitted online to the journal at <https://review.jow.medknow.com/bgj>. In case of any issues with submission please contact the editorial team at thebreastglobal@gmail.com. Once a manuscript has been accepted for publication, it will undergo language copyediting, typesetting, and reference validation in order to provide the highest publication quality.

Please do not hesitate to contact EICs if you have any questions about the journal.

Sincerely
Editors-in Chief
BreastGlobal Journal
